

## Multiplier Man™

A superhero themed mobile video slot in the tradition of the great comic heroes of the 1940s and 50s but modernized in a fresh new 3D style. Its hero, "Multiplier Man," is the star in this absurdist spoof of the genre, and brings a character that advocates for the player to help him win big!

Well intentioned, good looking, silly and brave; he'll do anything to protect and increase the players' bank. He has a regular job as a reporter, a lady friend, a sidekick dog and a host of villains who find him downright annoying.

The game is low volatility and features Expanding Wilds, Random Multipliers, a multi-levelled Hi-Low bonus and Free Spins bonus – all bringing entertaining game play with frequent Wins!

Crafted to the highest specifications and optimized for cross-platform compatibility, MULTIPLIER MAN™ provides players with hours of uninterrupted FUN!
