

## Space Traders™

SPACED TRADERS™ is a unique and entertaining 3D slot game with a quirky cosmic theme.

Accompanied by her loyal side kick Handy Max and their helpful robot Sam, Queen Bea prospects the outer reaches of the galaxy for rare interplanetary riches and space junk to trade with her cosmic customers.

With a 9-spot reel (3x3), the base game features a random special symbol presented by Robot Sam at the start of each spin. When 3 or more matching symbols appear, they freeze and lock in place with continuous re-spins and double pays for massive wins!

3 or more bonus symbols transports you to the 'Space Junk Bonus' where you can haggle with Queen Bea and accept offers on the table for some of the best space junk on sale this side of the cosmos.
